## CODE OF CONDUCT FOR COACHES AND PARENTS

### During Competition.

All coaches and parents must demonstrate appropriate behaviour during tournament play. If violations occur the referee/umpire will stop the game and the offending adult will be asked to leave the field of play. The offending adult is deemed the responsibility of the school that they are there to "support". Coaches are expected to assist in any way possible to ensure that the person leaves the field of play peacefully. If the adult does not leave the venue the play will be suspended and the offending adult's school will be suspended from competition until the offending adult has made an apology to the people concerned.

Examples of this type of violation could include: abuse of referees, interfering with the course of play, abusive language on or off the field / court / pool.

Parents and friends are encouraged to give positive support to their teams. They should, however, refrain from any negative comments and leave coaching tips to the coaches.

Coaches are responsible for students adhering to the BSSA Code of Conduct. **Adults, please refrain from smoking.**

### Emergency Medical and Personal Situations for Students.

Each school will facilitate / generate an emergency form to be carried by the coach at each activity.

N.B. If any violation of the above occurs, the complainant will communicate the details of the violation in writing to a member of the BSSA committee. The committee will meet to discuss the issue and determine the penalty.

### Students Not Meeting Academic Obligations

Students must not have any outstanding major pieces of work. If a student fails to meet a major deadline or make major gains in getting the work completed the student may not be able to participate.

I have read the above and am willing to accept the BSSA Code of Conduct.

I understand that BSSA accepts no responsibility for any personal loss or injury.
